

**Prayer and Action Points** (We would encourage everyone to be in spiritual preparation about the following prayer points and read “Battlecry for a Generation” by Ron Luce prior to the event.)

1. Who has the greatest influence in our teens lives?
2. Are our students really becoming disciples of Christ or simply learning how to look “Godly?”
3. Are we equipping our families to win back the hearts of their children/young adults?
4. Will we allow Christ to evaluate our ministries and make the changes necessary to reach this generation?
5. Who is Lord in America, our Churches, our families, our personal life? Who has the ultimate authority?
6. Do we truly believe that God can salvage and restore America?
